

IN THE CLAIMS:

Please cancel claims 1 and 2 without prejudice to or disclaimer of the subject matter recited therein.

Please add new claims 3 and 4 as follows:

LISTING OF CURRENT CLAIMS

Claims 1-2. (Canceled)

Claim 3. (New) A memory card structure comprising:

- a) a circuit board having at least one contact terminal including a first contact terminal located on a top of a first end thereof; and
- b) a case located above and spaced apart from the top of the circuit board, the case having a size smaller than a size of the circuit board, a space being formed between the case and the circuit board, the case being spaced from the first end of the circuit board exposing the first contact terminal.

5

Claim 4. (New) The memory card structure according to claim 3, wherein the at least one contact terminal includes a second contact terminal located on a bottom of the first end of the circuit board.
